

Jane O'Brien Reilly

PROFESSIONAL EXPERIENCE

Senior Field Manager, Public Policy Division

Planned Parenthood Federation of America, Inc. · New York, NY · July 1994 to Present

Manage four regional field managers who handle public affairs communications between the national office and 126 nationwide affiliates. Plan and present public affairs training events nationally and at target affiliates. Market the public policy division activities at outreach events throughout the country. Engage states and affiliates in public affairs strategic planning and development. Act as the Federation's primary liaison to target states and affiliates in matters of public policy, public affairs strategic development, and advocacy. Served as acting national field department director from February 1, 2000 through April 10, 2000.

National Network Coordinator

Catholics For a Free Choice · Washington, DC · June 1991 to July 1994

Direct a national network of over one hundred local activists and groups in forty states including Alaska and Hawaii, as well as Puerto Rico, Guam and Canada. Promote and support public education, press and media events, lobbying and outreach activities. Represent the organization on the national level to various organizations and events; including public speaking, radio, television and press, as well as the facilitation of local and regional meetings and national conferences.

Public Affairs Assistant

Planned Parenthood Greater Cleveland · Cleveland, OH · January 1991 to January 1992

Assist the Public Affairs Director with the promotion of public events, supervision and recruitment of volunteers and interns, writing and production of newsletters, the development and support of coalitions, press and media contact, and other aspects of public affairs.

Franchise Marketing Manager & Account Executive

Management Recruiters · Cleveland, OH · March 1987 to January 1991

Market franchise sales on a national level and execute national executive search and recruiting.
