

## VFA Pioneer Histories Project – Interview Questions

- Full Name, where and when were you born?
- Briefly, what was your life like before you got involved in the women's movement? Please include your ethnic background.
- How did you get involved in the movement and what year was that?
- Where and when were you active in the women's movement? (if this wasn't answered in the above question)
- What was your involvement? What organization, if any? What was your role(s)?
- What issues were of greatest concern to you?
- What were your most memorable and important experiences?
- What were your major accomplishments during that time? (if not answered in the above)
- Have you been involved as an activist in the women's movement or other areas since your Second Wave experience?
- Are you currently involved as an activist? (if this was not answered in the above).
- How has your involvement in the movement affected your later life (personally and professionally) if at all?
